Chris Fulton Welcomes Adam Haluska as a Coach and Business Partner...

Today I'm thrilled to announce that Adam Haluska has agreed to join me in expanding and transforming the Fulton Basketball Academy into the new exciting Fulton-Haluska Basketball Academy!

Over the last several years I've had the pleasure of watching the academy grow and see the future of Siouxland basketball taking shape before my eyes. Our campers have amazed me as they've progressed so far and so fast. We've had success story after success story and we want to offer this opportunity to as many players as possible.

This change is the key that allows us to expand — while at the same time adding another level of competence that only Adam can provide.

I couldn't be happier with Adam's decision. He's a fantastic player, a tremendous motivator and a great friend. Many of our kids have already had the opportunity to work with Adam during one or more of his visits to Sioux City. The feedback is always fantastic. He's exceptionally accomplished player as well as a terrific asset for the overall business.

Please join me in welcoming Adam to the team — and get ready for a whole new experience with the Fulton-Haluska Basketball Academy!
